

IRAQ FAILING TO DISARM

U.S. SECRETARY OF STATE POWELL'S
PRESENTATION TO
THE UN SECURITY COUNCIL
February 5, 2003

On February 5, 2003, U.S. Secretary of State Colin Powell presented pivotal facts to the UN Security Council about Iraq's failure to comply with UN Resolution 1441. He shared information that the United States has regarding Iraq's weapons of mass destruction as well as Iraq's involvement in terrorism.

Highlighted below are some of the key facts presented to the UN Security Council.

Iraq Is Hiding Evidence

► Conversation between two Iraqi military officers, November 26, 2002

Col: we have this modified vehicle.....

Gen: I'm worried you all have something left.

Col: We evacuated everything.
We don't have anything left.

► Iraqi trucks removing materials from sites to be inspected

Iraq Is Muzzling Its Scientists

► Individuals with access report documents are being hidden in private homes and cars

- Documents found in the home of an Iraqi scientist

Documents Found in Home of Iraqi Scientist

► Saddam has:

- Arrested scientists
- Forced scientists to sign documents acknowledging that divulging information is punishable by death
- Even issued a false death certificate for one scientist

Iraq Is Hiding Dangerous Weapons

► After inspectors revealed his earlier biological program, Saddam built biological weapons factories on wheels

► Instructions relayed to an officer in the field, January 2003

A: Capt. Ibrahim?

B: I am with you, sir.

A: Remove.. the expression...nerve agents...
whenever it comes up..
in the wireless instructions.

B: Consider it done, sir.

Iraq Still Seeks Nuclear Weapons

- ▶ Iraq ordered aluminum tubes from 11 countries with specifications much higher than needed for rockets

Intercepted Aluminum Tubes

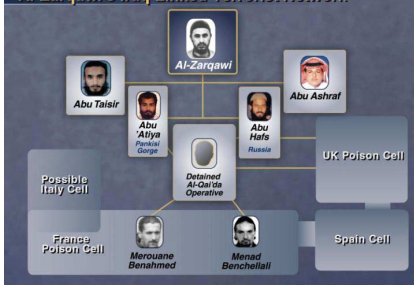

- ▶ Through a complex network of front companies, Iraq has been ordering magnets, balancing machines and other equipment, along with the tubes, used to enrich uranium

Iraq Is Harboring Terrorists, Including Al Qaida

- ▶ A senior Al Qaida associate and collaborator, Al Zarqawi, established a network of poison cells centered on Iraq

Al-Zarqawi's Iraq-Linked Terrorist Network

Iraq Has Refused To Disarm Peacefully

- ▶ Iraq's actions to hide and cover up evidence constitute a deliberate campaign to prevent any meaningful inspection work.
- ▶ We believe Iraq is in material breach of UN Security Council Resolution 1441.
- ▶ Iraq's weapons of mass destruction are a real and present danger to the people of Iraq, its neighbors and the world.
- ▶ Terrorist groups could use these horrible weapons anywhere in the world.
